

SAMPLE OF A REUNION LETTER

(Date)

Fellow Classmates,

Time has certainly flown by. It seems that it was only a few years ago when first around on the campus of Winston-Salem State University. During our first days on the "yard" we were able to develop life-long relationships and begin the transition to adulthood. Our experiences molded us and prepared us for the lives we now currently enjoy. It is not very difficult to remember dances in Whitaker Gym, Step Shows in the Pit, brewery tours and 6:00 p.m. classes during the spring. These mutual experiences developed a special bond between classmates and all members of the Ram Family. We know have an opportunity to celebrate this unique experience that is our 20th Reunion.

Please consider this letter an invitation to participate in the planning and organization of our reunion. Homecoming is November 1, 2003. We would like to schedule a full weekend of activities beginning either on Thursday, October 30th or Friday, October 31st. The final decision will be based on feedback received from class members. We would also ask that class members provide their preferred e-mail addresses. This will lessen the correspondence cost.

It is our goal to ensure that we do not let another significant anniversary pass without celebration. We hope that many others will join in the planning and participation. Please forward notification of your interest or suggestion to on of the following contacts:
