This form serves as a written evaluation for the performance of the R.I.S.E. mentor. **It is to be completed by the scholar as a reflection of their mentor experience over the academic year.** Please assess your mentor's performance on a scale of quality from 1 to 6, with 1 being excellent and 6 the equivalent of poor. This evaluation serves as documentation for mentorship improvement and program efficiency. If you mainly worked with other lab personnel besides your mentor, please indicate so by including the individuals name on the form.

- I. DEPENDABILITY AND COMMITMENT
- II. GUIDANCE WITH ASSIGNED PROJECT(S)
- III. ENCOURAGEMENT OF INDEPENDENCE
(i.e. with projects, literature searches, use of equipment, etc.)
- IV. AVAILABLE LABORATORY SUPPLIES/EQUIPMENT
- V. INTERPERSONAL SKILLS
(i.e. communication, types of interactions)
- VI. OVERALL LAB/RESEARCH ENVIRONMENT
(i.e. available resources and space, personnel, etc.)

VII. HOW WOULD YOU RATE THE MENTOR'S OVERALL PERFORMANCE? Please explain and provide any additional comments below.

Excellent _____ Very Good _____ Good _____ Average _____ Poor _____

VIII. Please describe average amount of time per week spent engaged with your mentor and the nature of your activities.

IX. Did you work primarily with your mentor or other lab personnel (i.e. technicians, graduate students, post-doctoral fellows?)

X. Did you feel comfortable discussing all aspects of your project (lab assignments, literature, use of equipment/supplies, etc.) with your mentor and/or the other lab personnel you may have worked with?

XI. Did you feel welcomed in the lab? i.e. Do you consider this lab to be a good research and training environment? Would you recommend this lab to another student?

Thank you for completing this evaluation.
