

## How to register for TEAS at ATI:

Have you been instructed by the school in which you're applying to register for TEAS at ATI?

Let's get started.

Step 1) Navigate to [www.atitesting.com/teas/register](http://www.atitesting.com/teas/register)

The screenshot shows the ATI TEAS registration page. The browser address bar displays [atitesting.com/teas/register](http://atitesting.com/teas/register). The page features a navigation menu with links for TEAS, Nursing School Resources, NCLEX Prep, Events, About Us, and Blog. A prominent "About the ATI TEAS" section includes a "REGISTER NOW" button. The main content area displays an "Individual Performance Profile" for a student named JOHN D STUDENT, with a test date of 9/5/2016 and attempt 1 of 1. The profile includes a table of scores and two bar charts comparing the student's performance to the percent of students who scored at or below their score.

Score	Percent of students who scored at or below your score
Total Score: 79.3%	86%
Reading Score: 87.2%	91%
Math Score: 80.0%	90%
Science Score: 68.1%	77%
English and Language Usage Score: 70.8%	63%

Step 2) You will be prompted to choose how you would like to take your proctored exam – Choose Online.

The screenshot shows the same ATI TEAS registration page as in Step 1, but with a modal dialog box overlaid. The dialog box asks "Where would you like to take a proctored TEAS exam?" and provides two options: "In-Person" (On-campus at a school) and "Remote Online" (Take the exam from home or other desired location) via an online remote proctor. The "Online" button is highlighted with a red box.

**Step 3)** Once you are directed to the new window, select the Proctor - Program Type drop down. Here you will choose ATI Remote Proctor – Nursing OR ATI Remote Proctor – AH (Allied Health). Then, select the testing date range that meets the admissions requirements set by the institutions(s) in which you are applying.

Select the session date and time that works best for your schedule and continue to the Product Details page.

#### Accommodations:

Accommodations may be available to individuals with documented disabilities pursuant to the American with Disabilities Act (ADA). ATI provides reasonable testing accommodations to candidates whose documented disabilities or other qualifying medical conditions hinder their ability to take the examination under standard conditions. To be considered for special accommodations, please notify ATI with the information below. Please be aware that submission of a request for an accommodation does not guarantee testing accommodations. Decisions will be made on a case- by-case basis considering the information submitted and per the law.

Requests for accommodations will be processed as quickly as possible. Candidates should allow for a minimum of 30 days for processing, with the understanding that some cases may take longer. Candidates should include all the required documentation (see instructions below for what is required) with their initial request. To be considered for Accommodations, please send the following to [proctor@atitesting.com](mailto:proctor@atitesting.com) at least 30 days before testing/signing up for a testing date.

Attach a letter from an objective physician or healthcare professional qualified to diagnose the disability or medical condition and render an opinion as to the need for an accommodation. An “objective” professional is one who is not the requester or related to the requester. The letter must be dated within two years of the anticipated date of your exam. If you are a high school student, or post-secondary student who is within 2 years of high school graduation, an Individual Educational Plan (IEP) may be used in lieu of the letter provided the IEP is actively in place. The letter or IEP MUST include the following:

- I. The specific disability/diagnosis. Mental/emotional disabilities must be accompanied by a numerical DSM - IV classification code.
- II. A brief explanation of how this condition limits the candidate's ability to take the exam under standard conditions.
- III. If this is not a permanent disability or diagnosis, include date first diagnosed, approximate duration, and method used to make the diagnosis.
- IV. Specific accommodations required. These accommodations should be adequate without creating an unfair advantage. Please note that candidates who require extra time to complete the exam will be given 1.5 times the standard allotted time. If more time is needed, the letter or IEP must specifically state how much time is needed and why that amount of time is required.

### Results:

To send an official copy of your TEAS results to additional institutions after receiving the scores, please log on to your ATI account and go to the Online Store and select the TEAS Transcript. The institution will receive the results within two hours of the purchase.

**Please note:** By clicking the "Register" button I agree to test on the selected date and understand that the test will be given using ATI Remote Proctoring Services, described in ATI Terms and Conditions available on the ATI website. I understand that I am responsible for repaying and rescheduling for a new test if I am unable to attend my scheduled date.
