### **Areas of Emphasis (Electives)**

MSRC program has four areas of emphasis: Rural VR, Transition, Deaf and Hard of Hearing, Vocational Evaluation. Each emphasis area requires 9-15 credits of electives.

### **Professional Work Requirements**

In addition to completing the coursework for obtaining an MSRC degree, students are also required to complete a 100 clock-hour practicum and a 600 clock-hour internship in an approved internship site under University supervision. The internship can be completed in two semesters with 300 hours per semester.
