### Registration Availability

	Capacity	Actual	Remaining
Seats	10	3	7

**Cross List Courses:**

[ART 1301](#)

- 
- If there are zero seats available in a –WC section, check to see if there is a –WD or –WE section that has available seats. If there are no seats in a Distance Learning section then it is very possible that during Drop/Add week a seat may become available so continue to check the seat availability. IF there are no seats available and you need the course then you can email the instructor and ask to be manually added to the class.

- 
- Another option you have is to go back to the Curriculum Guide of courses and find a different course that satisfies the Area of Knowledge for Fine Arts. (Finding the list of courses to meet a specific Area of Knowledge was covered in a previous presentation.)
  - For example, Music 1301 –WC will meet the Area of Knowledge for Fine Arts.

**“How do I register for classes at WSSU?” is covered in a separate presentation.**
