General Education at Winston-Salem State University provides the intellectual foundation for both the completion of a major program of study and learning beyond college by affording students a broad based education rooted in the Arts, Humanities and Sciences.

The registrar will determine credits that can transfer to WSSU. Students will work with their advisors to distribute the transferred courses relative to the general education framework. Students wanting to major in Nursing or Education should be aware that there are additional admission requirements.

- Student has earned an Associates of Arts or Associates of Science degree**, therefore the student has fulfilled General Education framework requirements and should begin taking courses in his/her intended major. The major advisor will work with the student to address any prerequisites concerning major course requirements that have not been fulfilled.
- Student is a second degree student** and is not required to complete the General Education requirements.
- Student attended an institution that is not regionally accredited and no transfer hours were accepted.**
