

## QUICK REFERENCE GUIDE FOR INCIDENTS OF:

Sexual and Gender-Based Discrimination, Sexual Harassment, Sexual Assault or Sexual Violence, Interpersonal (Relationship) Violence, and Stalking.

*Use as many or as few of the options below as needed.*

### CONTACT LAW ENFORCEMENT

If it's an emergency, call 911 or the Department of Police and Public Safety's emergency number for protection and to initiate a criminal investigation. For non-emergency situations, call local law enforcement or the Department of Police and Public Safety's non-emergency number and ask to speak with an investigator. The Department of Police and Public Safety will inform the necessary University staff of the incident.

### SEEK MEDICAL ATTENTION

If you have experienced physical or sexual violence, go to A.H. Ray Student Health Services (private but non-confidential) or the Emergency Department at Novant Health Forsyth Medical Center (confidential\*) for treatment of injuries and medication for sexually transmitted infections and pregnancy prevention. Evidence collection and forensic exams can be obtained at Novant Health Forsyth Medical Center for up to 5 days after an assault. Financial assistance is available.

### REPORT THE INCIDENT TO THE UNIVERSITY

Reporting to the University provides you with the option of addressing the incident under the Policy on Sexual Harassment and Sexual Violence. It also allows the University to provide any available interim protective measures such as academic accommodations, changes to housing, and changes to class or work schedules.

Regardless of when the incident occurred, you're encouraged to report to one of the options: the EEO/Title IX Office.

### SEEK SUPPORT

Confidential emotional and psychological support can be obtained at any time. The University Counseling Center (confidential\*) and Office of Interpersonal Violence (private but non-confidential) are resources provided by WSSU. The ComPsych Employee Assistance Program, Family Services of Forsyth County Safe on Seven, and Mental Health Association of Forsyth County are resources in the community.

For emergency situations, dial 911 for immediate assistance.

\* Speaking to confidential resources is **not** a report to the University.
