Template for CAA students earning an AAS degree or no degree who are interested in
Social Work at WINSTON-SALEM STATE UNIVERSITY

Any course identified in the CAA agreement will generally count towards the general education requirements of WSSU either as meeting an Area of Knowledge or as hours outside the major that count towards the 60 hr minimum.

At WSSU transfer students are required to take or transfer approximately 60 SH of credits outside of their major program requirements. Many of the 60 SH will be used to address requirements of the general education curriculum. For transfer students who have not met the general education core curriculum requirements as defined in the CAA, general education transfer decisions will be made on a course-by-course basis. Transfer students should have at least one course in each of the **seven general education Areas of Knowledge – Culture and Foreign Language, History, Literature, Mathematics, Natural Science, Social and Behavioral Sciences, and The Fine Arts.** For transfer students with less than 60 hours of general education transfer credit, advisors will work with students to determine if there is a need, because of skill deficits, to take courses that are focused on any of the seven general education learning outcomes as part of general education before the student enters the major. Developmental skills courses do not count towards the hours needed to fulfill either general education requirements or the 60 SH outside of the major requirement. Developmental skills courses are non-credit, basic skills classes for students who demonstrate skill deficiencies in writing in English, mathematics, or reading as determined by placement examinations.

Literature — Need One Course

Prefix		Course Name	Credit Hours	Pre-requisites		University Course Equivalent		Credit Hours	Required or Preferred by Major
ENG	125	Creative Writing 1	3	None		ENG	3341	3
