FINANCIAL AID TIMELINE AND IMPORTANT NOTES FOR SUMMER 2018:

Please Note: The Office of Financial Aid will process only one summer school application for you. Make sure that you have finalized your scheduled before submitting this application. (Subsequent applications will not be processed). You must be registered for classes prior to your submission of the summer application.

Summer is typically an optional term. Students who attended WSSU (or any institution(s)) full-time for fall 2017 and spring 2018 will typically have no financial aid eligibility remaining. As such, you may apply for an alternate/private loan via the lender of your choice.

- Complete the 2017-2018 Free Application for Federal Student Aid (FAFSA) no later than April 13, 2018, if you do not have one on file. You can complete a FAFSA online at www.fafsa.ed.gov. WSSU's Federal School Code is 002986. **Note: Completion of the FAFSA does not necessarily mean that you will have aid available for the summer term(s). As a precaution, you should make preparations to pay for your courses.**
- The Office of Financial Aid will communicate with you via Banner RAMS Online and your WSSU e-mail. You must be able to log into Banner RAMS Online to access your information. You are encouraged to regularly check your WSSU e-mail to ensure that you receive important messages from our office.
- If you are eligible for summer assistance – that is, have a 2017-18 FAFSA on file, are making Satisfactory Academic Progress (SAP), have remaining financial aid, and apply by the deadline date (April 18, 2018), you will receive communication concerning your Summer School Financial Aid Application on Banner RAMS Online by May 21, 2018. Please be aware that summer assistance is mainly comprised of remaining loan eligibility.
- Undergraduate and graduates students are required to enroll in a minimum of **six (6) credit hours** over the course of the summer in order to receive loan funds. Note: If you enroll in three (3) credit hours Summer Session I and three (3) credit hours Summer Session II, loan funds will disburse during Summer Session I. However, grant funds (if applicable) will disburse based on the number hours you are enrolled in during that summer session. PLEASE NOTE: ALL AWARDS ARE BASED ON THE INFORMATION PROVIDED ON THIS APPLICATION AND ARE SUBJECT TO CHANGE.
- It is your responsibility to contact the Student Accounts and Cashiering Office (Billings and Receivables) to validate your summer schedule. **VALIDATION IS NOT DONE AUTOMATICALLY.** If you do not satisfy the charges on your WSSU bill within the allotted time frame, your classes will be purged.
- Once you have validated your schedule, it is your responsibility to withdraw from WSSU if you are not able to attend summer school.
- Students currently on SAP warning, probation, and suspension **WILL NOT** be packaged for summer until grades are reviewed at the end of the spring semester. Completion of a Plan for Academic Success and Appeal form will be required before summer awards are posted for student's that have a SAP probation status.
- If you are ineligible for or do not receive enough summer assistance, you may want to consider a private student loan with a lender of your choice to cover your expenses.
- Only students who are admitted into degree programs at WSSU can receive financial aid at WSSU. **Visiting summer students and the Competency Based Program (CBE) are ineligible for aid.**
