

Curriculum Vitae

Name: Cynthia Sheppard Bell, PhD, OTR/L, FAOTA

Revised Date: 01/02/2024

Present Position: Professor, tenured

Department of Occupational Therapy

Business Address:

Winston-Salem State University
450 FL Atkins Building
Winston-Salem, North Carolina 27110

Telephone: (336) 750-3175

Fax: (336) 750-3173

E-Mail: bellcs@wssu.edu

EDUCATION:

PhD - Occupational Therapy	Nova Southeastern University - Fort Lauderdale, Florida	2006
M.S. - Occupational Therapy	Western Michigan University - Kalamazoo, Michigan	1991
B.A. - Psychology	Miami University - Oxford, Ohio	1989

Licensure/Certifications/Trainings:

North Carolina Board of Occupational Therapy License #1212

Valid through June 30, 2021

National Board Certification of Occupational Therapy #982681

Initial: 02/18/1992

Current Valid through 03/31/2023

AOTA Leadership 360

2023

Home Hazard Removal Program Fall Prevention Interventionist

2022

Association of College And University Educators (ACUE)

2022

Course in Effective Online Teaching

Dementia Care Specialist-Trainer Certification -

CPI Dementia Care Specialists

2012, Recertified: 2016, 2020, 2022

University of North Carolina System Digital Learning Initiative

Designing Effective Online Courses

2020

Chronic Disease Self-Management Program Leader

2018-2020

Diabetes Self-Management Program Leader

2018-2020

PROFESSIONAL EXPERIENCE:

Occupational Therapist-Administrator/Educator

Winston-Salem State University, Professor (tenured), Winston-Salem, North Carolina (return to teaching role from Chairperson, January 2024-Present). Responsible for teaching a full graduate level course load within program. Teach courses or content focusing on adult physical disabilities, dementia, professional skills, analysis of occupation and research. Engage in curriculum design and development, course design, instruction and evaluation, advisement, and committee work. Engagement in scholarly activity and university/community service are also a significant part of the position.

Winston-Salem State University, Professor and Chair of Occupational Therapy Department, Winston-Salem, North Carolina (July, 2020-Dec, 2023) (Associate Professor January 2018-June 2020). Responsible for leadership and management of the OT program and resources including curricular review and development; student recruitment and retention; faculty and staff recruitment and hiring, development and scholarship. Additional responsibilities include budget management, strategic planning, maintenance of Accreditation Council for Occupational Therapy Education standards, and active participation in university activities.

Winston-Salem State University, Associate Professor with tenure, Winston-Salem, North Carolina (July 2012-December 2017). Responsible for teaching a full graduate level course load within program. Teach courses or content focusing on adult physical disabilities, dementia, basic skills, analysis of occupation and research. Engage in curriculum design and development, course design, instruction and evaluation, advisement, and committee work. Engagement in scholarly activity and university/community service are also a significant part of the position.

Winston-Salem State University, Assistant Professor, Winston-Salem, North Carolina (07/2011 to January 2012 - role change- moved to a full teaching role from Academic Fieldwork Coordinator). Responsible for teaching an annual load of 18+ credits within program. Engage in curriculum design and development, course design, instruction and evaluation, advisement, and committee work. Engagement in scholarly activity and university/community service are also a significant part of the position.

Winston-Salem State University, Assistant Professor and Academic Fieldwork Coordinator, Winston-Salem, North Carolina, 06/1998 to 06/04 and 11/04 to 07/11. Responsible for program and curriculum design and development, course instruction and evaluation, fieldwork administration and coordination. Engagement in scholarly activity and university/community service are also a significant part of the position. Annual evaluations have consistently been above average with moderate to high merit.

Clinical Practice

Genesis Healthcare, Program Manager of Rehabilitation Department, Colfax/Greensboro, North Carolina, 7/04 to 11/04. Responsible for all aspects of managing the rehabilitation department, including: financial reporting and planning, staffing, public relations, and program development. Oversee 7 staff therapy personnel and day to day operations along with maintaining a caseload of patients.

Moses Cone Health System-Clinical Education Coordinator for Occupational Therapy, Greensboro, NC, 6/1993 -11/1995. Coordinated fieldwork experiences with 13 occupational therapy programs, oversaw the student programs for acute and rehabilitation unit, served on DTCC OTA Advisory Committee, initiated a state wide clinical instructors forum, developed and implemented quality improvement studies with regards to the student program, coordinate programs to educate the general public about Occupational Therapy, actively participated on an interdisciplinary rehabilitation education committee, and managed a caseload of patients.

Occupational Therapist-Clinician

Therapeutic Solutions Outreach, Inc., Cary, NC- (PRN basis 6/2017-present). Independent contractor providing low vision occupational therapy evaluation and treatment for individuals without insurance coverage. Services include home and environmental assessment and modifications, assistive device/aids recommendations, referrals as needed, and documentation of services.

Logos Healthcare-Rehabilitation Coordinator/Occupational Therapist, Greensboro, NC. 12/1995-6/1998 (PRN basis 6/98-2001). Served as contact person for staff and facility, coordinated documentation for billing purposes, served on an interdisciplinary committee to develop functional tracking outcome study, managed a caseload of patients primarily between four long-term care facilities, and other facilities as needed, supervised COTA's.

Moses Cone Health System-Staff Occupational Therapist, Greensboro, NC, 1/1992-6/1993. Managed a caseload of five to six patients as well as lead a therapy group, served on a rehabilitation unit safety task force, developed and revised assessment and evaluation forms, and developed a rotation system for the acute, rehabilitation, and outpatient programs.
