

**CURRICULUM VITAE
OF
KIBOUM KIM, Ph.D., CTRS**

PERSONAL DATA

Home Address: 5450 Autumn Harvest Dr.
Kernersville, NC 27284
(812) 922-0363 kimk@wssu.edu

Business Address: Winston-Salem State University
Department of Therapeutic Recreation
601 Martin Luther King, Jr. Drive
405 F.L. Atkins
Winston-Salem, NC 27110
(336) 750-2592

Family Status: Married- Jinyoung Choi
Children-Seihn (Shanna) & Shaun

EDUCATION

Ph. D. Major: Parks, Recreation and Tourism, 2009, University of Utah, Dissertation Title: *The relationships among motivational environments, autonomous self-regulation, and personal variables among refugee youth.*

MS, Major: Physical Education, 1999, Korea National Sport University, Seoul, Rep. of Korea.

B.S. Major: Physical Education, 1997, Kyong-Gi University, Gyeonggi-Do, Rep. of Korea.

PROFESSIONAL EXPERIENCE

2016-Present	Assistant Professor, WSSU, Winston-Salem, North Carolina
2014-2016	Visiting Assistant Professor, WSSU, Winston-Salem, North Carolina
2012-2018	Senior Research Associate, GP RED, Lafayette, Colorado.
2010-2012	Assistant Scientist, Department of Recreation, Park and Tourism Studies, School of HPER, Indiana University, Bloomington, Indiana.
2009-2010	Post-Doctoral Fellow, Department of Recreation, Park and Tourism Studies, School of HPER, Indiana University, Bloomington, Indiana.
2007-2009	Research Assistant (AAU EXCELS Academy), Department of Parks,

Recreation, and Tourism, University of Utah and the Asian Association of Utah (aau-slc.org), Salt Lake City, Utah.

- 2007-2009 Group Facilitator for Refugee Youth, Asian Association of Utah, Salt Lake City, Utah. Planning and organizing EXCELS Academy Curriculum Implementing and facilitating learning and experiential activities, Co-Principal investigator with Dr. David Compton in determining the effectiveness of the EXCELS Academy Curriculum.
- 2006-2007 Research Assistant (Project GAIN-Golf: Accessible and Inclusive Networks), Department of Parks, Recreation and Tourism, University of Utah. Salt Lake City, Utah.
- 2005-2006 Research Assistant (Spinal Cord Injury and Disease (SCI/D Forum), Division of Physical Medicine and Rehabilitation at the University of Utah Medical Center and Department of Parks, Recreation and Tourism, University of Utah University of Utah, Salt Lake City, Utah.
- 2004-2005 Research Assistant and Principal Evaluator (Project GAIN – Golf: Accessible and Inclusive Networks), Department of Parks, Recreation and Tourism, University of Utah, Salt Lake City, Utah.
- 1999-2002 Director, Therapeutic Recreation Program Specialist, Han-Woo-Ri Therapeutic Recreation Center for Children with Developmental Disabilities, Seoul, Rep. of Korea.

TEACHING EXPERIENCES

Department of Human Service Studies
Winston-Salem State University, NC, USA

- TRC 4310: Leisure Education
- TRC 4306: Organization and Management
- TRC 4303: Advanced Therapeutic Recreation (with Dr. Coco-Ripp)
- TRC 3350: Youth & Adolescent Adventure Program Development
- TRC 3300 (TRC 4300): Research Methods and Evaluation
- TRC 3323: Program Planning in Recreation
- TRC 3318: Leadership and Supervision in Recreation
- TRC 1311 (TRC 2311): Leisure & Society (Introduction to Community Recreation)
- TRC 1307: Play It Like You Mean It: Analysis and Application of Recreation
- TRC 1301: Outdoor Recreation (with Dr. Coco-Ripp & Mrs. Hartman)

Department of Recreation, Park and Tourism Studies
Indiana University, IN, USA

- R 390: Statistical Application in Leisure Studies
- R 490: Research and Evaluation

Department of Parks, Recreation and Tourism
University of Utah, Salt Lake City, UT, USA

- PRT 3780 & PRT 7030: Seminar RPTS Management

Department of Special Physical Education,
Han-Shin University, Ohsan-City, Kyonggi-Do, Rep. of Korea

- Introduction in Therapeutic Recreation

Department of Tourism Management
Kyong-Gi University, Suwon-City, Kyonggi-Do, Rep. of Korea

- Commercial Recreation

Department of Social Work
Sung-Kong-Hoe University, Guro-Gu, Seoul, Rep. of Korea

- Therapeutic Recreation for Individuals with Disabilities

BIBLIOGRAPHY

Kim, K. (Dec. 2016). Therapeutic Recreation: A Tool of Health, Wellness & Quality of Life. Online special seminar developed for Korean graduate students majoring in Physical Education, Recreation, and Sport Management, Kyong-Gi University, Rep. of Korea.

Kim, K. (April 2016). Dynamic System Modeling: Research and Practical Application to the Areas in Hotel & Tourism Management. Special Workshop: STELLA, dynamic modeling software. 2016 The Korean America Hospitality & Tourism Educators Association (KAHTEA) Conference, Las Vegas, NV

Kim, K. (April 2015). System Modeling and Its Application to Hotel & Tourism Management. Special Workshop: STELLA, dynamic modeling software. 2015 The Korean America Hospitality & Tourism Educators Association (KAHTEA) Conference, Las Vegas, NV

Kim, K. (June 2015). Therapeutic Recreation: A Tool of Health, wellness & quality of life. Special Lecture at Kyong-Gi University: Seoul Campus, Seoul, Republic of Korea.

Kim, K. (June 2015). Therapeutic Recreation (for all). Special Seminar at Kyong-Gi University: Suwon Campus, Gyunggi-Do, Republic of Korea

Keynote Speech & Invited Presentations

Compton, D & **Kim, K.** (April 2014: Invited). Managing (customer) experiences (in hospitality using) with systems thinking. 2014 The Korean America Hospitality & Tourism Educators Association (KAHTEA) Conference, Las Vegas, NV.

Healthy Community Research Group (March 2014: Invited). Surveillance and management toolkit positions Parks and Recreation as a Public Health Provider. Active Living Research Conference, San Diego, CA.

FUNDED AND SUBMITTED GRANT PROPOSALS

National Institutes of Health (\$1,835,914). Weight Matters, TOO: Technology Offers Outcomes. Submitted on May 28, 2021. Role and Responsibilities: Co-investigator with Dr. Brown Cynthia. Managing and analyzing data (Not Funded).

Utah State Board of Education (\$320,000). Healthy Families and Healthy Learners Campaign (HF/HLC). Title IV, Part B: 21st Century Community Learning Center (CCLC) Grants. Submitted on May 26, 2020 (Not Funded). Role and Responsibility: Co-Investigator, managing and analyzing data.

Department of Workforce Services (\$150,000). For submitting to TANF III Grant (Temporary Assistance for Needy Families) on January 24, 2020. (Not Funded)

PDC: Professional Development Committee (\$1,413). Publication costs for a peer-reviewed Journal: Listening to the screaming whisper: A voice of mother caregivers of children with autistic spectrum disorder (ASD). Submitted to *International Journal of Qualitative Studies on Health & Well-Being* on September 21, 2018 (Funded).

PDC: Professional Development Committee (\$1,200). The barriers of technology use in chronic disease management. Submitted on September 21, 2018 (Funded). Role and Responsibility: Principal Investigator.

CSEM (\$15,000). Policy Development for Poverty Reduction in Small Town: Examination relationships between regional factors, races, and residential preference. Submitted in Nov. 2017 (Not Funded). Role and Responsibility: Principal Investigator.

United State Department of Agriculture: National Institute of Food and Agriculture (\$350,000/year for 3 years). Childhood Health & Obesity Initiative: Communities Engaged for Success (CHOICES). Submitted in July 2017 (Funded). Role and Responsibility: Co-investigator with Dr. Brown Cynthia. Managing and analyzing data.

CMS: Centers for Medicare & Medicaid Services (\$325,000). Weight Matters. Submitted in July 2017 (Funded). Role and Responsibility: Co-investigator with Dr. Brown Cynthia. Curriculum development, Managing and analyzing data.

United State Department of Agriculture: National Institute of Food and Agriculture (\$150,000). CHOICES: Childhood Obesity Initiative-Communities Empowered for Success. Submitted in July 2016 (Not Funded). Role and Responsibilities: Co-investigator with Dr. Brown Cynthia. Managing and analyzing data.

National Institutes of Health (\$300,000). CHOICES: Childhood Obesity Initiative-

Communities Empowered for Success. Submitted in August 2016 (Not funded). Role and Responsibilities: Co-investigator with Dr. Brown Cynthia. Managing and analyzing data.

Community Transformation Grants: Grant.gov (\$ 413,870). GP RED Healthy Communities Youth Surveillance and Management Toolkit. In conjunction with GP RED: Submitted on July 31, 2013 (Not Funded). Role & Responsibilities: Constructing a system modeling and data analysis.

U. S. Department of Health & Human Services: R01 Grant Proposal (\$150,000). Systems management of policies affecting middle school youth physical activity, nutrition and social engagement behaviors. In cooperation with the Ruth Lilly Health Education Center and The POLIS Center, Indianapolis, IN and the Department of Environmental Health, Indiana University, Bloomington: Submitted on June 6, 2012 (Not Funded). Role & responsibilities: System Designer and Principal Evaluator.

Autism Speaks, Leisure education: Reducing risks of lifestyle related chronic illness in parents of ASD children. Submitted on February 29, 2012 (Not funded). Role & responsibilities: Principal Investigator, Leisure Education Program Developer, Principle Evaluator.

Indiana University: Collaborative Research and Creative Activity Funding, (Under \$10,000). In my backyard: Environmental self-regulation strategies and restorative outcomes in local natural areas. Submitted on October 28, 2011 (Not funded). Role & responsibilities: Project Evaluator.

Kang-Nam University (\$20,542). Development of leisure education programs for Korean parents of children with autistic behavioral disorder. Role & responsibilities: Principal investigator (**Awarded**).

Indiana University, Faculty Research Support Program (\$180,485). Yoga Exercise after Stroke (YES). Co-investigator with Drs. Marieke van Puymbroeck, Carrie Docherty, Arlene Schmid, Altenburger Peter, Dawn Neumann. Role & responsibilities: Project Evaluator Submitted on June 14, 2011 (Not funded).

Indiana University: Department of RPTS Collaborative Research Support Program (\$2,000) Factors affecting the retention and attrition of youth 8-14 years old in instructional youth tennis programs. Co-Primary Investigator with Dr. Craig Ross. Submitted on April 15, 2011 (**Awarded**).

Indiana University: Department of RPTS Collaborative Research Support Program (\$2,000) Understanding motivational factors relevant to leisure participation experienced by parent caregivers of children with autistic spectrum disorder (ASD). Co-Primary Investigator with Dr. Alison Voight. Submitted on April 15, 2011 (**Awarded**).

Indiana University, Faculty Research Support Program (\$24,618). 2011 Summit on Sport Policy and Youth Development: A Public and Community Health Perspective on Bullying and Hazing. Role & responsibilities: Co-Investigator with Drs. John Koenig & Lynn Jamieson.

Submitted on February 2011 (Not funded).

Indiana University, Faculty Research Support Program (\$11,282). Childhood inactivity and obesity: How public policy impacts future involvement in physical activity. Co-investigator with Drs. Craig Ross and Jennifer Piatt. Submitted on February 2011 (Not funded).

Indiana University: Department of Recreation, Park, and Tourism Studies New Investigator Research Seed Money (\$3,000). Scientific research development seed money. Submitted on May 2010 (**Awarded**).

Cultural Corps of Korean Buddhism (\$4,000). Development of temple-stay programs based on a therapeutic approach. Role & responsibilities: Principle investigator. Submitted on November 10, 2011 (**Awarded**).

2010 Leisure Research Institute (LRI) Small Grant Program (\$4,940). A validation of a healthy community global measure: A vulnerable youth perspective. Role & responsibilities: Co-investigator with Dr. Ross, C., Dr. Ona, F. & Ms. Alexia Franzidis. Submitted on April 5, 2010 (**Awarded**).

Indiana University, School of HPER (\$24,505). Healthy Communities Surveillance and Management: An Ecological Model to Increase Youth Participation in Physical Activity in Sentinel Public Indiana Park and Recreation Agencies (Bloomington). Role & responsibilities: Co-investigator with Drs. David Compton, Rasul Mowatt, Michael Muehlenbein, et al. Submitted on March 2010 (**Awarded**).

U.S. Department of State-Bureau of Education and Cultural Affairs (\$ 224,393). YES Basketball China, A Sports Initiative. Role & responsibilities: Project Evaluator. A proposed partnership grant between Indiana University, Purdue University, and the Chinese Basketball Association. Submitted on September 23, 2010 (Not funded).

U.S. Department of State-Bureau of Education and Cultural Affairs (\$ 235,000). Indiana Youth Sports Project for Turkey. Role & responsibilities: Project Evaluator. This is a partnership grant between Indiana University, Purdue University, the University of Notre Dame, and the Islamic Society of North America. Submitted on September 23, 2010 (Not funded).

U.S. Department of State - Bureau of Educational and Cultural Affairs (\$234,393). USPORT-China, 2010-2012, Role & responsibilities: Co-Investigator with Ross, C., Compton, D., Mitchell, D., Peters, J., Lavoie, N., Whitehead, J., & Taylor, H. Submitted on February 2010 (Not funded).

Indiana University, Faculty Research Support Program (\$73,769). Healthy communities surveillance and management: An ecological model to increase youth participation in physical activity in sentinel public Indiana Park and Recreation Agencies (Bloomington, Gary, Indianapolis, South Bend, IN), 2010-2011. Role & responsibilities: Co-investigator with Compton, D., Ross, C., & Ona, F. Submitted on February 2010 (Not funded).

The Robert Wood Johnson Foundation (\$\$\$). Policy and environment systems modeling to increase physical activity levels among children with functional limitations, disability, and/or chronic health conditions. Role & responsibilities: Data analyst. Working with Gooch, J., Librett, J. & Compton, D. Submitted on May 13, 2009 (Not funded).

Asian Association of Utah (\$50,000). 2008 AAU EXCELS Academy: Developing leadership skills among refugee youth (13-16) using self-determination theory. Role & responsibilities: Co-PI with Dr. David Compton. Submitted on May 19, 2009 (**Awarded**).

University of Utah Internal Research Funding (\$10,000). AAU EXCELS Academy: Developing leadership skills among refugee youth (age 13-16) residing in Salt Lake area. Role & responsibilities: Principal investigator. Submitted on April 28, 2008 (**Awarded**).

The Robert Wood Johnson Foundation (\$217,700). Effects of policy change and EYAP to increase physical activity levels among children with functional limitations, disability and/or chronic health conditions. Role & responsibilities: Co-author. Working with Dr. Gooch, J. Ruddell, E., & Compton, D. Submitted on July 10, 2008 (Not funded).

The Robert Wood Johnson Foundation (\$155,000). Modeling policy to increase physical activity among children and youth (K-12) in an under-resourced, low-income community (Magna, Utah). Role & responsibilities: Co-author. Working with Compton, D. Hyatt, B., Hannon, J., & Librett J. Richardson, G., et al. Submitted on May 14, 2008 (Not funded).

Center for Rehabilitation Research 2007-08 Grant Competition (\$7,448). Effects of an active living system on daily activity level and disease prevention behaviors among individuals with spinal cord injury or disease. Co-Investigator with Rosenbluth, J. & Ellis, G. Submitted on November 16, 2007 (Not funded).

Craig H. Neilsen Foundation (\$65,313). The effect of a multi-modal active living system on mortality among SCI/D. Co-investigator with Compton, D., Rosenbluth, J., & Zahl, M. Submitted on January 12, 2007 (Not funded).

United States Tennis Association (USTA) Grant (\$24,347). The effect of TRAILS adapted tennis lessons on self-efficacy, tennis skill acquisition, and future intention to play tennis. Role & responsibilities: Coordinator & Data analyst. Working with Dr. David M. Compton. Submitted on December 28, 2006 (Not funded).

CURRENT & PREVIOUS RESEARCH ACTIVITIES

2019-Present	Developing a leisure education program for parent caregivers of children with ASD. Proposal will be submitted to NIH (R15) on June 20. Working with Dr. Coco-Ripp and other colleagues.
2019-2020	Developing a drumming program for adolescents with visual impairment. Working with Miss. Surratt and Perez who are undergraduate students at WSSU.

- 2019-2020 Respond to the Voice of Parent Caregivers: Leisure Education for Parents of Children with Autistic Spectrum Disorder (ASD).
- 2019-Present Developing and validating a Healthy Learners Index (HLI) that provide a clear and compelling set of metrics to determine the progress of Salt Lake County School District (SLCSD) elementary and secondary students.
- 2018-2020 Strategies for creating Inter-professional Education and Experiential Learning opportunities for HBCU students majoring in Therapeutic Recreation. Working with Mrs. Marshall, who is an undergraduate student at WSSU.
- 2018-2019 Developing a leisure program for preventing suicide in older adults. Working with Miss Ward, K. who is an undergraduate student at WSSU.
- 2018-2020 Developing an instrument measuring persons' abilities to enjoy their discretionary time: Among HBCU students. Working with two undergraduate students at WSSU.
- 2017-2020 Weight Matters: Weight management educational program for African American residing in Triad areas, NC. Working with Drs. Brown, Henderson, Jeter, etc.
- 2016-2018 A Screaming Whisper: Understanding leisure related factors among parent caregivers of children with autism spectrum disorders (ASD). Working with Miss. Wendy Infante (WSSU Student majoring in Therapeutic Recreation). My role and responsibilities: Revisit data collected in 2011 to analyze, mentoring and supervising the student.
- 2016-2018 Identifying critical indicator contributing to demonstrating good citizenship perceived by HBCU students. Miss. Agnes Berta (WSSU Student)
- 2013-2016 Youth Activities and Nutrition Survey (YANS). Healthy Communities Research Group developed an online-based survey measuring after school activities of youth in middle school years as well as their eating habits. YANS data have collected from students attending one of four middle schools in Liberty School Districts, MO over two years. This study has expanded to other school districts in the country including Halifax County, NC; Arlington Heights, IL; Pueblo, CO). My roles and Responsibilities: Develop the online survey (YANS), analyze data collected, and prepare a final report.

- 2012-2014 To understand the level of importance of factors and indicators in modifying current policies, and/or advancing new policies contributing to a reduction of the prevalence of overweight, obesity or morbidly obese youth age 8-14 years. My roles and Responsibilities: Develop a MAUT (Multi-Utility Attribute Technique) workbook, facilitate data collection and analysis, and prepare a final report.
- 2011-2013 Healthy Communities Project. Recommendation for South Bend City (Beta site) using STELLA dynamic modeling techniques. In cooperation with GreenPlay® Research, Education and South Bend Public Parks and Recreation, Indiana. My roles and Responsibilities: Construct a dynamic modeling and manage data collection procedures.
- 2011-2013 Motivational factors affecting the retention and attrition of youth 8-14 years old in instructional youth tennis programs. In cooperation with Indiana University Tennis Center. Working with Dr. Craig Ross. My roles and Responsibilities: Develop survey instruments, plan the study design, and analyze data.
- 2011-2013 Understanding motivational factors relevant to leisure participation experienced by parent caregivers of children with autistic spectrum disorder. In cooperation with Bradford Woods, Indiana University. Working with Dr. Alison Voight. My roles and Responsibilities: Plan the study design and analyze data.
- 2011-2012 Validation of a healthy community global measure: A vulnerable youth perspective. Working with Drs. Craig Ross and Sarah Young. My roles and Responsibilities: Manage data collected by the Multi-Utility Attribute Techniques (MAUT).
- 2010-2012 A study of participation in the game of golf by persons with disabilities and persons who are aging: A replication study. Working with Dr. Sherrill York. My roles and Responsibilities: Develop survey instruments and analyze data.
- 2009-2015 Healthy Communities Surveillance and Management Project. Constructing a management model using a STELLA modeling software. In cooperation with Bloomington Parks and Recreation Department, Indiana, GreenPlay® Research, Education, and Development. My roles and Responsibilities: Construct a dynamic modeling, plan the research design, and manage data collection procedures.

- 2010-2011 Impact evaluation of the community-based intervention on childhood obesity prevention and control in China. My role and responsibilities: Prepare the study design and methods contributing to NIH R21 proposal (Unfunded). Working with Dr. Barbara Campaigne.
- 2009-2010 National Park Service. Identifying the areas for improvement of the Fundamentals training program provided by Eppley Institutes of Parks and Public Lands. My role and responsibilities: Develop survey instrument, manage data collection, and analyze data.
- 2009-2010 National Park Service. Evaluation of the impact of NPS Fundamentals training provided by Eppley Institutes of Parks and Public Lands. My role and responsibilities: Develop survey instrument, manage data collection, and analyze data.
- 2009-2010 National Center on Accessibility. Examination of the relationships between types of playground surfaces and the level of accessibility as well as a total maintenance cost. My role and responsibilities: Provide data analysis consulting.
- 2009 American Camping Association. Outcomes of the summer camp experience for youth with chronic illness and/or disabilities. In cooperation with Bradford Woods, Indiana University and partnership with American Camping Association. My role and responsibilities: Provide study design consulting.
- 2009 Evaluation of the Bloomington Wellness Challenge program effects. Working with Bloomington Hospital. My role and responsibilities: Provide study design and analysis consulting.
- 2008-2009 Development of an Active Lifestyle Curriculum to Increase Participation in Children (8-12 years) with Cerebral Palsy. Working with Judith Gooch Center for Rehabilitation Research & David Compton, Department of Parks, Recreation, & Tourism, University of Utah.
- 2008-2009 Validation of an Active Lifestyle Curriculum to Increase Participation in Children (8-12 years) with Cerebral Palsy. Working with David Compton & Judith Gooch, College of Health, University of Utah.
- 2008-2008 AAU EXCELS Academy: Validating a model leadership skills curriculum among refugee youth. In cooperation with the Asian Association of Utah and partnership with Department of Parks,

Recreation, & Tourism, University of Utah.

- 2007 Effects of a multi-modal active living system on daily activity level and disease prevention behaviors among individuals with spinal cord injury and disease (SCI/D). In Cooperation with School of Medicine, University of Utah.

- 2006-2009 Project GAIN-Golf: Accessible and Inclusive Networks, Department of Parks, Recreation and Tourism, University of Utah. Salt Lake City, Utah.

- 2005-2006 Christopher Reeve Paralysis Foundation. Therapeutic Recreation and Independent Leisure Skills (TRAILS) SCI/D Forum. In cooperation with Division of Physical Medicine and Rehabilitation at the University of Utah Medical Center

- 2005 Study of Evaluation & Management for Salt Lake County, Division of Parks & Recreation. Working with David Compton, Jonathan Norling, Ken, Silverberg and Students enrolling in PRT 3780 & PRT 7030.

- 2003-2004 Real Choice System Change Grant. Utah State Department of Human Services.

EDITORSHIPS/REVIEWS

Guest Editor: Special Issue on Education, *Therapeutic Recreation Journal*, 2009-2010.

Peer Reviewer: *Journal of Leisure Research*, 2010-Present

Peer Reviewer: *Therapeutic Recreation Journal*, 2010-2015

Peer Reviewer: *Korean America Hospitality & Tourism Educators Association (KAHTEA) Conference*.

AWARDS AND HONORS

2016 Appreciation plaque: Instructor for a Professional Workshop at 2016 Annual Korea American Hospitality & Tourism Educators Conference, Las Vegas, NV

2015 Appreciation plaque: Instructor for a Professional Workshop at 2015 Annual Korea American Hospitality & Tourism Educators Conference, Las Vegas, NV.

2013 Annual Research Achievement Award: The refugee and Immigrant Center at the Asian Association of Utah (RIC/AAU), Salt Lake City, Utah

- 2008 Recipient of the David M. Compton Graduate Student Scholarship, University of Utah
- 2007 Department of Parks, Recreation and Tourism Memorial Endowed Scholarship, University of Utah

SERVICE (University, Community, and Profession)

**University Committee
Winston-Salem State University**

- 2019-Present Faculty Senate (Funding Committee)
- 2019-Present WSSU TR Club Faculty Advisor
- 2018-Present SOHS Research Advisory Committee
- 2018-2019 SOHS Ad Hoc Committee
- 2017-2018 HSS Department Symposium Committee
- 2018-Present SOHS Research Advisory
- 2016-Present Member, Grade Appeal Committee.
- 2016-2018 Student Learning Outcome (Information Literacy) Committee
- 2016-2018 Professional Development Committee
- 2016-Present Outcome Assessment Committee

Indiana University

- 2009-2012 Member, Undergraduate Studies Committee Learning Support Systems Task Force.
- 2009-2012 Member, Recreation, Park, and Tourism Studies (RPTS) Strategic Planning Committee
- 2009-2012 Director, Recreation, Park, and Tourism Studies (RTPS) Research Laboratory Committee

Community & Public Service

- 2019-Present **Utah State Board of Education-** Healthy Families and Healthy Learners Campaign (HF/HLC) with a partnership with Salt Lake County School District (SLCSD). Project Committee Board, Project Evaluation Advisor
- 2017-2020 **Weight Matters:** Weight management educational program for African Americans residing in Triad areas, NC.

- 2009-2012 **Wellness Challenge.** Bloomington, IN– Program Evaluator
- 2008-2009 **AAU EXCELS Academy,** Salt Lake City, UT – Facilitator
- 2005-2009 **Project GAIN (Golf: Accessible and Inclusive Networks).** University of Utah, Salt Lake City, UT – Volunteer
- 2004-2005 **TRAILS (Therapeutic Recreation and Independent Lifestyle Services) - Executive Committee Member-** Salt Lake City, UT.
- 2004-2006 NRPA (National Recreation and Park Association) Conference, Reno, NV – Volunteer

Profession

- 2011-2018 **Co-commission Chair** for Health Promotion and Disease Prevention, **World Leisure Organization** with Dr. Terry Robertson appointed by Christopher Edginton, Secretary General, World Leisure Organization.

PROFESSIONAL ORGANIZATION MEMBERSHIPS

- 2018-Present Member, American Therapeutic Recreation Association
- 2012-Present Member, GP RED Healthy Communities Research Group Leadership Team
- 2012-Present Korean America Hospitality & Tourism Educators Association (KAHTEA)
- 2009-2013 Member, Indiana Park and Recreation Association
- 2009-Present Member, Commission on Health Promotion and Disease Prevention, World Leisure Organization
- 2009- Present Member, World Leisure Organization
- 2004-2005 Member, Utah Recreation and Parks Association
