The Hearing

Logical connection between the evidence and facts at issue

Assists in coming to the conclusion – it is “of consequence”

Tends to make a fact more or less probable than it would be without that evidence

Information protected by an un-waived legal privilege

Medical treatment and care

Unduly repetitious or duplicative questions

Information that otherwise irrelevant

Complainant's prior sexual history, with limited exceptions.

Irrelevant and Impermissible Questions

Decorum at the Hearing

A recipient may adopt rules of order or decorum to forbid badgering a witness, and may fairly deem repetition of the same question to be irrelevant

A postsecondary institution recipient may adopt reasonable rules of order and decorum to govern the conduct of live hearings

Schools “retain flexibility to adopt rules of decorum that prohibit any party advisor or decision-maker from questioning witnesses in an abusive, intimidating, or disrespectful manner.”

Report Out

These questions are submitted by Complainant for Respondent

1. How many drinks did you have at Kayla's before going to TKE?
2. How big were those drinks?
3. Who mixed those drinks?
4. Were you drunk when you got to TKE?
5. How often do you go to parties?
6. How often do you get drunk at parties?
7. Why didn't you stay with your friends when you got to TKE?
8. When you got to TKE, did you intend to have sex with Angel that night?
9. What else do you remember from that night?
10. Did you play darts?
11. Isn't it true that you were easily able to throw darts and hit the bullseye that night?
12. When Angel was "hugging" you, as you called it, he was actually just holding on to you for support because he could not stand up, isn't that right?
13. How many times did he fall on to you when the two of you were on the couch?
14. Who got up first from the couch?
15. Isn't it true that you got up first and pulled Angel to his feet?
16. You told the investigator the two of you were drunk sloppy kissing? It seems you are admitting that Angel was drunk, isn't that correct?
17. Given all that you recall, it seems that you have a really good recollection of that night, no impaired memory, were easily able to play darts, and never fell down, so for you to act as if you were too drunk to give him a blow job and that you're the real victim here is nothing less than highly offensive, isn't that right?
18. If someone were sexually assaulted and the other person said it was the victim's fault, that is victim blaming, isn't it?
19. Are you alleging you were sexually assaulted?
20. Why would you make that up?
21. If you are saying that you were sexually assaulted, why didn't you file a complaint? Is that because you know you'll lose and be expelled for a false complaint and retaliation if you do that?
22. Are you making an allegation in order to retaliate against complainant?
23. Did you ever drink from Angel's water bottle?
24. Did you ever smell alcohol on Angel's breath while at the TKE party?
25. Have you seen the video of you giving Angel a blow job?

27. He wasn't restraining you, why didn't you just pull away?
28. Do you often give blowjobs to boys at parties?

 2. Did you file a report with the police?
 3. Why not?

 5. Why not?
 6. Is it true that you are hoping to go to medical school?
 7. Isn't it true that you are really worried about your grades this semester?
 8. Isn't it true you were struggling with inorganic chemistry class?
 9. And isn't it true that you wanted to drop the class, but you would have had a "W" on your transcript?
 10. Did you end up withdrawing from that class?
 11. And isn't it true that there is no notation on the transcript because you were given the gift of being pulled from the class without any transcript notation?
 12. And is that why you filed this claim, so you could get out of taking the class without anything showing up on your transcript?
 13. You said to the investigator that you "could not believe anyone would film" the sex act that occurred at the TKE party, isn't that correct?
 14. Have you ever watched any porn videos?
 15. Didn't you take a video last year of some of your friends, including Bob and Dylan, playing a game that involved simulating sex acts?
 16. During your interview with the investigator, isn't it true that you had to be reminded by your own advisor that your "story" is that you were too drunk to remember anything, right?
 17. How many times did you and your advisor rehearse your interview?
 18. You said you had no information or memories about what happened at the party, but also claim to remember how her hands were moving, when the two of you were sitting on the couch in the basement. Which one of those statements is the lie?

By Respondent

1. Doesn't your frat have a reputation on campus of getting girls drunk at parties?

 6. Why do you have a fake ID?
 7. You said you saw Angel at the party, and that he was so drunk he could barely stand up; did you take any action to protect your drunk friend from drinking more?
 8. Is that because your friend was not really that drunk, or because you don't really care about someone being so drunk they can barely stand?
 9. Your friend passed out at the end of the night; which emergency number did you call for help?
 10. You said you put a trash can by him when you saw him passed out, but you didn't roll him on to his side? Is that because he was sleeping, and not really because he was drunk?

 13. Is that why you're exaggerating your supposed observations that Angel was so drunk?
