STRATEGIC PLAN
ANNUAL REPORT

WINSTON-SALEM STA

WINSTON-SALEM STA

Dear Friends of WSSU:

This is a time of electrifying transformation at Winston-Salem State University. We—the faculty, students, boards, alumni, and community members—are collaborating to create a vibrant educational experience for our students. This *Strategic Plan Annual Report 2014-2015* spans the tenure of two chancellors—Dr. Donald Julian Reaves (July-December 2014) and myself (January-June 2015). Dr. Reaves left me with firm foundation on which to build and transform WSSU.

2015 marked the final year of our strategic plan *Achieving Academic Distinction: The Plan for Student Success*. We have been largely successful in meeting our five strategic goals including Pursuing Academic Excellence, Supporting Student Success, Promoting Community Engagement, focusing on Efficiency, Effectiveness and Good Stewardship of Resources, and finally instilling a sense of University Culture and Pride.

Our new strategic plan *Experiencing Academic Distinction: Transforming Learning for the 21st Century* rolled out in January 2016 and will define our direction for the next five years. The goals for the 2016-2021 strategic plan focus on strengthening liberal education, enhancing the quality of our graduate and professional programs, building our commitment to social justice through enhanced community engagement, enhancing revenue and stewardship of resources, and enhancing the quality of our physical and operational infrastructure.

Thank you for your support. Please know that we will continue to be good stewards of your investments in WSSU.

Multiple National Grants Support Student Research

Professors in the College of Arts, Sciences, Business and Education of WSSU received nearly \$3.5 million in grants to support undergraduate research efforts. Funders including the Thurgood Marshall College Fund, the National Science Foundation, and the National Institutes of Health provided financial support for the Maximizing Access to Research Careers for Undergraduate Student Training in Academic Research (MARC U*STAR), enhanced opportunities for undergraduate research in chemistry, and support for STEAM fields, which incorporate art and design into the traditional STEM areas as a catalyst for new technologies and discoveries.

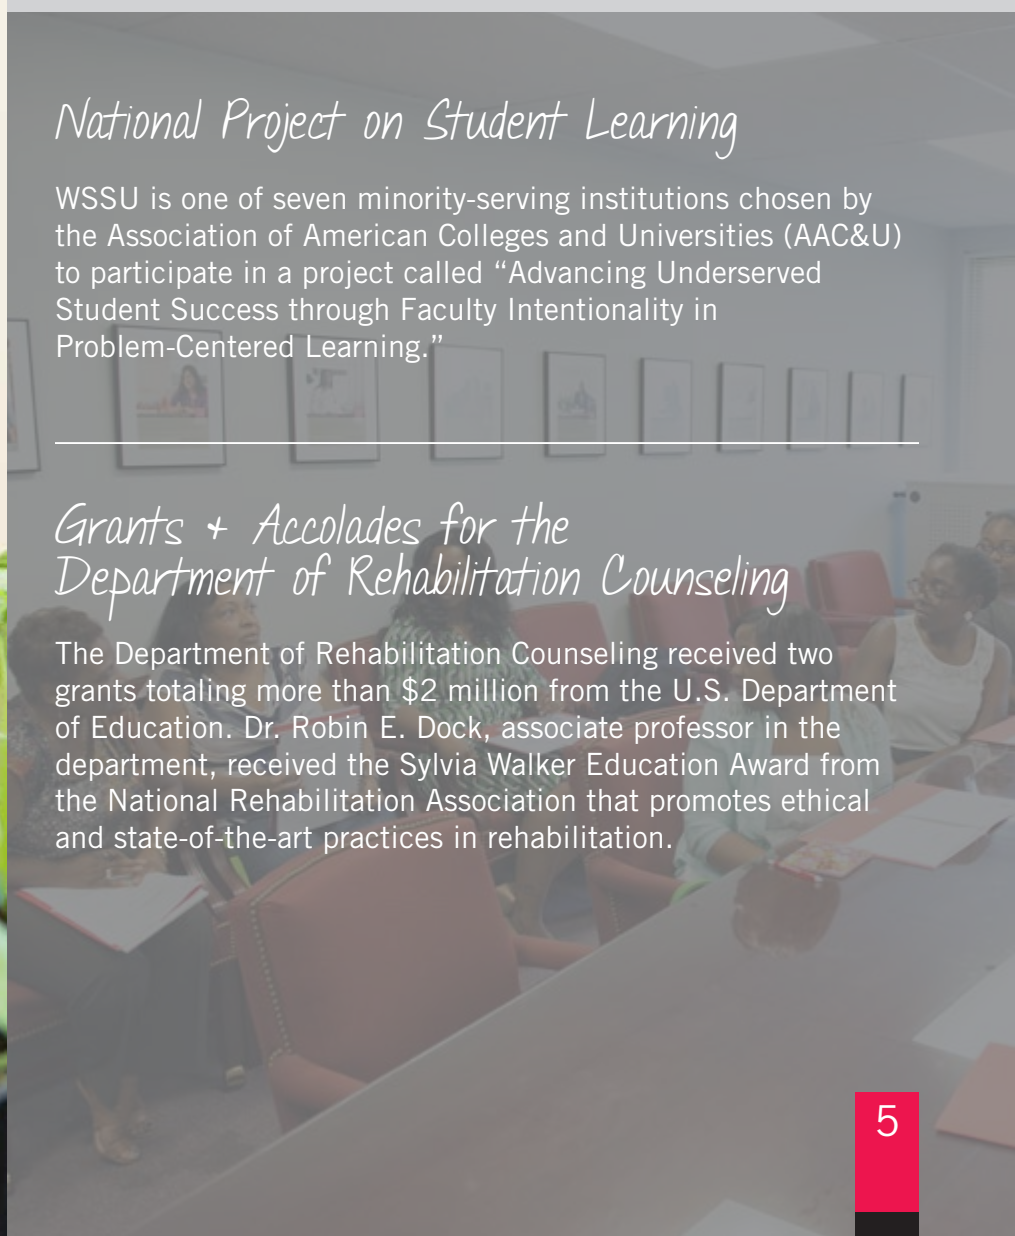

ACADEMIC EXCELLENCE

National Project on Student Learning

WSSU is one of seven minority-serving institutions chosen by the Association of American Colleges and Universities (AAC&U) to participate in a project called “Advancing Underserved Student Success through Faculty Intentionality in Problem-Centered Learning.”

Grants + Accolades for the Department of Rehabilitation Counseling

The Department of Rehabilitation Counseling received two grants totaling more than \$2 million from the U.S. Department of Education. Dr. Robin E. Dock, associate professor in the department, received the Sylvia Walker Education Award from the National Rehabilitation Association that promotes ethical and state-of-the-art practices in rehabilitation.

STUDENT SUCCESS

Kate B. Reynolds Charitable Trust Funds the "Almost Home" Scholarship Program

The Kate B. Reynolds Charitable Trust awarded WSSU a \$275,000 grant to support our "Almost Home" scholarship program which provides financial aid for Forsyth County students who are near graduation but require financial assistance to complete their degrees. The 16 seniors who received the scholarships all graduated in May 2015.

Four Students Compete in the Honda Campus All-Star Challenge

Four students from WSSU participated in the Honda Campus All-Star Challenge's National Championship Tournament. Steve Morikawa, assistant vice president for corporate and community relations at American Honda, explains that the competition "rewards the best and brightest for their academic achievements and prepares our student competitors for life beyond school by reinforcing their strong work ethic and introducing them to a thriving community of competition alumni."

Students Take Top Honors in Scholarship Competition

WSSU students won \$20,000 of the \$35,000 given away in the 2015 Food Lion/Coca-Cola CIAA Scholarship Essay Contest. Three of the four grand prize awardees were from WSSU—Tyesha Parker, Ashley George, and Tiqueece Brown—who each won a \$5,000 scholarship. WSSU also produced five of the first place prize winners—Bonita Woodbury, Madeline Holly, Jerrie Thompson, Anthony Wells, and Charity Timberlake.

Amica Makes a Gift to Support Honors Students

Amica Mutual Insurance Company contributed \$100,000 to an endowed scholarship fund in honor of Chancellor Donald Reaves' retirement. The scholarship supports undergraduate honors students and was established with an initial gift of \$100,000 from Chancellor Reaves and his wife, Dr. Deborah Reaves.

COMMUNITY ENGAGEMENT

Night Out for Homeless

The Delta Alpha Chapter of Phi Beta Sigma Fraternity, Inc. conducted its 18th-annual overnight sleep-out to raise awareness of homelessness in the Triad. Students collected nonperishable food, school supplies, and clothing for the homeless. The campaign culminated with the all-night sleep-out that had members of the fraternity and other students supporting the initiative by spending the night in cardboard boxes, sleeping bags, and tents.

Clothing items went to the Winston-Salem Rescue Mission; food was given to the Second Harvest Food Bank; the school supplies supported Project Hope; and the monetary donations went to the Samaritan Ministries Annual Penny Campaign.

Service-Oriented Spring Break

WSSU undergraduates spent their spring break volunteering with the Students Living with a Mission in Nashville and Camp Restore in New Orleans. In addition to service opportunities, students and staff who accompanied them visited the Civil Rights Institute and the Sixteenth Street Baptist Church in Birmingham.

Student Government Association Political Action Summit

The SGA Political Action Summit focused on increasing the sustainability of the 11 HBCUs in North Carolina. Panel presenters discussed funding models for HBCUs, such as state and federal appropriations, recruitment and enrollment of students, and program support.

*Department of Athletics
Community Service*

The Ram Athletics Family completed more than 4,000 hours of community service, far surpassing their goal of 3,000 hours.

The College of Winston Salem-State University Established

The College is a result of a realignment of the College of Arts and Sciences, the School of Business and Economics, and the School of Education and Human Performance. The establishment of The College is consistent with our institutional priorities and aspirations and will enable the university to:

- enhance our academic programs by creating unique cross-disciplinary teaching and research collaborations,
- strengthen academic assessment and advising to better support student success, and
- reinvest in existing academic programs and bring greater integration of the liberal arts and professional programs.

EFFICIENCY, EFFECTIVENESS + RESOURCES

Degree Efficiency

One measure of a university's efficiency is how many bachelor's degrees are awarded per 100 full-time students. WSSU ranks #3 in the UNC System in degree efficiency. In 2014, WSSU graduated nearly 1,600 students as compared to 824 graduates in 2007.

Fundraising Successes by the Numbers

- 27.8% increase in overall giving
- 33% increase in number of donors
- 25.7% increase in alumni donors
- 50.3% increase in student giving
- 152% increase in faculty and staff giving

UNIVERSITY CULTURE AND PRIDE

Chancellor Robison's "We See Red" Tour

Chancellor Robison traveled throughout North Carolina, Georgia, and the Maryland/Washington, DC, area to share his message of creating a transformative educational experience for our students. Nearly 350 alumni attended these events and learned about the new strategic plan and creating a culture of giving for our students.

Alumni Honored with "40 Under 40" Awards

The WSSU Office of Alumni Relations recognized young alumni who have made significant contributions toward the betterment of their communities and beyond. The accomplishments of 2015 40 Under 40 honorees were celebrated at a gala attended by over 400 family, friends, and fellow alumni. The awardees raised \$28,000 which was used to support student scholarships at WSSU.
